The Hon. Mrs. Margaret Scott
County Courthouse
East Naples
Fla.

Dear Mrs. Scott:

After a year of planning and many months of hard work we are going to open Marco Island to the public on Sunday, January 31.

Several million dollars worth of development and construction work already has been completed, and a resort and residential city which we confidently believe will one day be America's foremost planned community, is beginning to take shape.

We would be happy if you will join us and a small group of friends and associates for a special preview of Marco Island on Saturday, January 23.

If you will be kind enough to come to the administration building at about 4 p.m., you will be able to make a guided inspection of our development program. Then we will have cocktails at 5:30 and dinner at 7 at the new Marco Beach Hotel and Villas.

To help us in our planning, we would appreciate your calling M. R. Mathews, our general manager at Marco Island, at Midway 2-7141 to let him know whether you will be able to be with us.

Sincerely,

F. E. Mackle Jr.
